

To all the nurses and staff at NHC,
Thank you all so very much for taking such good care
Of my mom while she was down there. She loved you
all so very much and many times talked to me on
how good you all were to her. She could not have
found a nursing home any cleaner and nicer as NHC.
It takes a very special person to care for people in
Nursing homes and you all went beyond the call
of duty. We love you all and thanks again for all you did.
