

Dear friends in PT and OT,

I just wanted all of you to know how much all of your loving care for my mom means to me. It's so hard to be so far away from her while she is going through this but knowing that she is with people who truly care about her really eases my mind.

You have all been so wonderful to her and it means so much to our whole family. I know that she is in good hands with you. I look forward to seeing everyone again when I come back.

Thanks so much,

Sherry R.
